Student Scientists meet with  
reviewers

Friday 8:00-8:30 PM

Recognition Ceremony  
Stage in Gym

Friday 8:30 PM

All students will take their  
projects home

So much to do at the Science Fair! Join all 186 Bonny Slope Scientists, enjoy their research and celebrate the science. Be ready for fun and prizes when you participate in the BSSF scavenger hunt, and stop by the many scientific discovery stations - play with the *Lego Robotics*, test out the *Nike Force Plate*, learn about wind turbines (and paper airplanes) from *PacificCorp*, visit Portland Community College's M&M chromatography table and taste test strips, and view some very cool optical illusions. In addition, the science fair is hosting its first annual raffle, so buy those raffle tickets starting this Friday at the Scrip table and be eligible for some *amazing* prizes!

### Dinner Menu from The Old Spaghetti Factory

Penne Pasta  
Marinara -or- Meat Sauce  
Salad w/ Ranch Dressing -or- Apple Sauce  
Dinner Roll  
Water -or- Soda

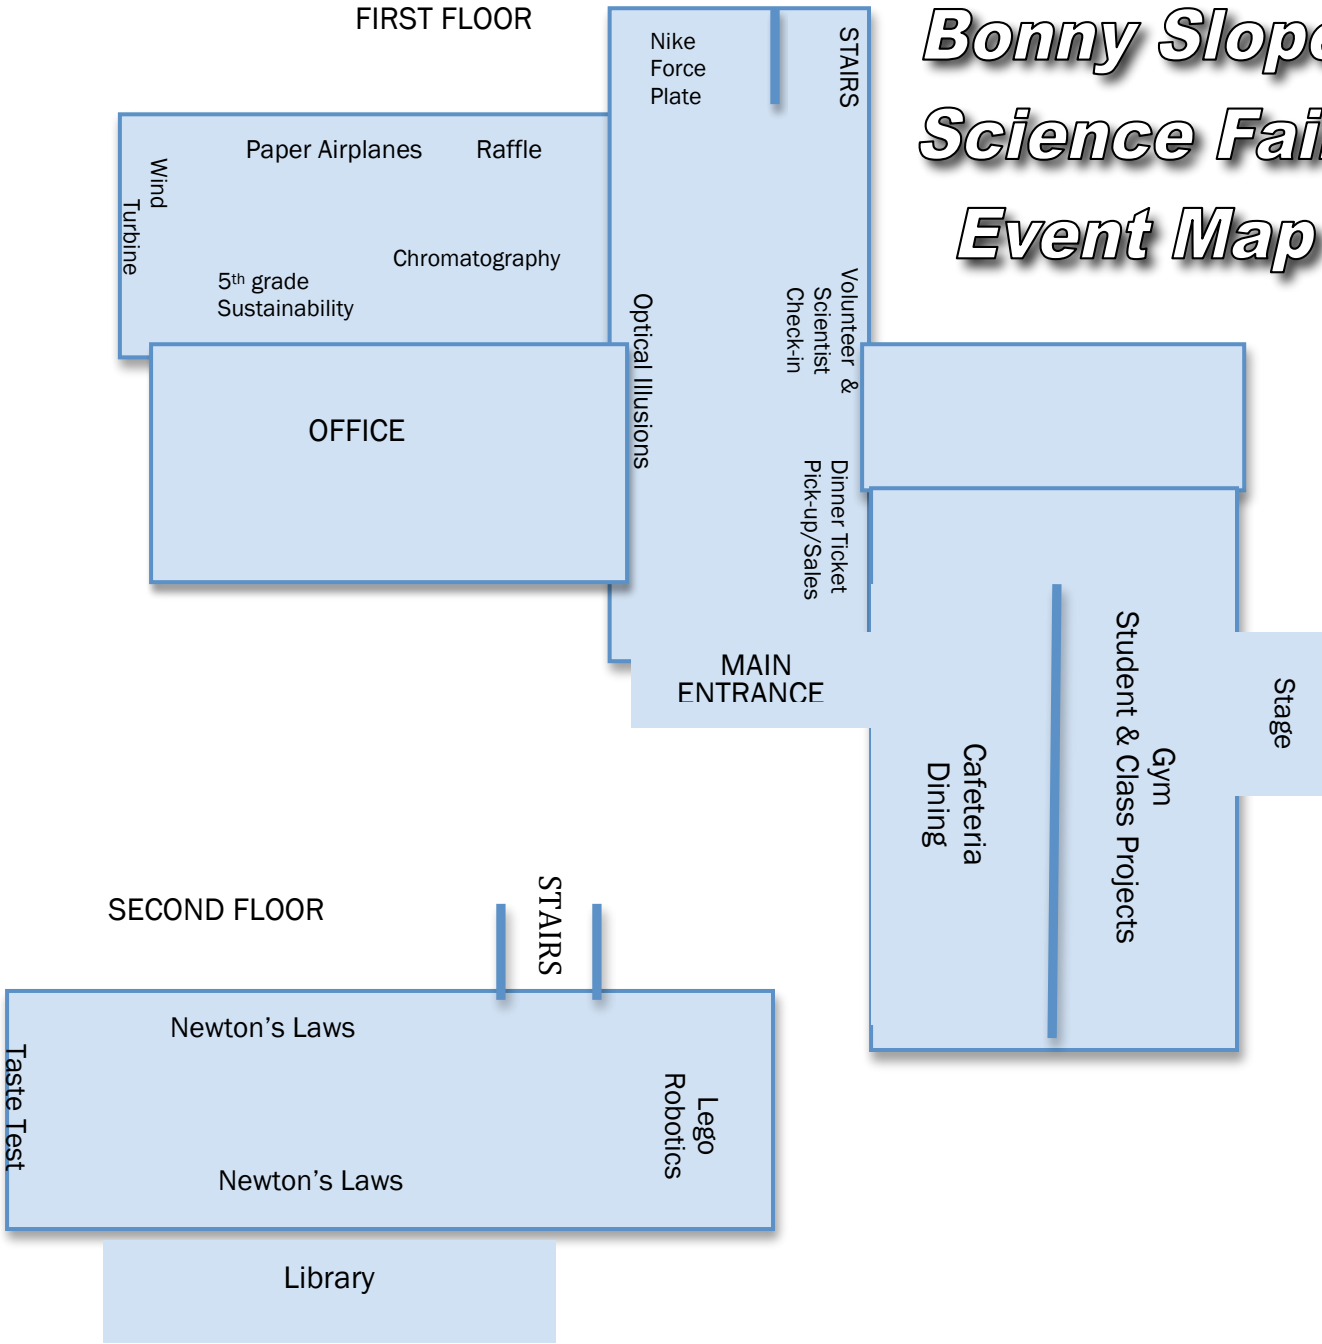

### Dessert for Sale hosted by the 5<sup>th</sup> Grade Class

Ice Cream Bars

We will be participating in Nike's Shoe Recycling and Sustainability Program, which uses very worn and battered shoes that are not wearable and turns them into Nike Grind, a material used in sports surfaces and play grounds. So please bring your old shoes to the collection bin at the Nike station and join us in the 'reuse a shoe' program.
